

MACK VINTAGE PARTS.

ELITE | FLEET-LINER | TRIDENT | VALUE-LINER | VISION

More grunt for less

At Mack, we're all about durability. We build our machines to last and believe that if you have an older truck on the road, you shouldn't be held back when it comes to repairs.

That's why we've rolled out our new Mack Vintage Parts program. We're now offering more affordable replacement parts such as turbochargers, coolant pumps and alternators to name a few, for Elite, Fleet-Liner, Trident, Value-Liner and Vision models.

This now means you can get more grunt for less, with the same quality guarantee.

Mack Deluxe Service Agreement

When there's work to be done, your truck needs to be out on the road, not in the workshop. That's why the Mack Deluxe Service Agreement is planned to suit your operation. Wherever possible, we'll make sure you never have to turn down a job to keep up with your service schedule.

The Mack Deluxe Service Agreement lets you tailor the plan to best suit your personal needs. As well as changing all fluids and filters, the specially trained technicians will carry out the interior and exterior checks you need to avoid safety or reliability issues down the road. Service costs are set upfront at competitive rates.

To learn more about service agreement options for your Vintage truck, contact your local Mack dealer.

Elite / Fleet-Liner / Value-Liner

Model years 1994-1997

Piston & Liner Kit

Part No.	Note	Vintage Parts Price
