

WORKSHOP SPECIAL

Available from Truck Centre WA Geraldton

RECEIVE A COMPLIMENTARY 10 POINT SAFETY CHECK FOR PEACE OF MIND

WE'LL LOOK AFTER YOU.

Our workshops are the real deal. Purpose built, factory standard facilities with professional technicians. Our workshops have the best diagnostic tools, service databases and the support of a global network.

When you get a basic service from our workshop, you'll get a complimentary 10 point safety check by our factory trained technicians who are trained to diagnose potential trouble spots before they become a problem.
