EXTENDED PARTS WARRANTY

When you go through our workshop, your truck is covered by Mack, UD and Volvo's extended 24 month, 500,000km parts and service warranty for peace of mind.

Our workshops are the real deal. Purpose built, factory standard facilities with professional technicians.

Our workshops have the best diagnostic tools, service databases and the support of a global network.

When you get a service from our workshop, you'll get our skilled factory trained mechanics using the latest tools and diagnostic equipment and of course, only fitting Genuine Parts.
