

# WORKSHOP SPECIAL

Available from Truck Centre WA Port Hedland

## VOLVO TRUCK SUMMER CLEAN

### GET READY AND STAY COOL.

Our workshops are the real deal.

Purpose built, factory standard facilities with professional technicians. Our workshops have the best diagnostic tools, service databases and the support of a global network.

Our extensive Volvo Summer Clean includes radiator and intercooler clean, hose inspection, pressure testing and we'll even throw in complimentary coolant top up! Our factory trained technicians are trained to diagnose potential trouble spots before they become a problem.

Make an appointment today.

## SUMMER CLEAN FROM \$858

**WARRANTY:** 2 years worry free. When you go through our workshop, your truck is covered by Volvo's extended 24 month, 500,000km parts and service warranty for peace of mind.
