Did you know?

To ensure the very best lifetime performance, the air bellows undergo extensive tests such as:

- Burst pressure test
- Life expectancy test
- Characteristics test
- Material identification
- Chemical physical tests
- Hardness of rubber test
- Compression set test
- Resistance to ozone
- Static and dynamic tests
- Bending test in cold environment
- Aging in air test

2 YEARS WORRY-FREE

We are now offering a full 2 years/500,000 km warranty* on fitted parts, when that part is installed by an authorised Volvo workshop. It covers repair or replacement of parts and even consequential damages.

See it as a warranty on your business.
