### HEAVY FACTS:

#### Genuine Volvo Exchange air compressor:

Developed and manufactured to meet Volvo specifications for air supply to the air suspension system:

–Ensures quick lifting time and suspension filling. Safe and comfortable ride as well as proper function of the height levelling system.

#### Power Reduction/Energy saving system for standard compressor:

–Supporting good fuel economy.

#### The clutchable compressor totally abates the crankshaft rotation during offload mode:

–Supporting good fuel economy and less piston wear compared to standard compressor.

#### Developed and manufactured to meet Volvo specifications on durability and reliability:

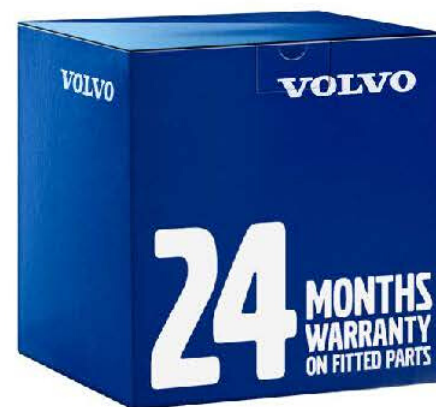

–Keeping maintenance to a minimum.

#### Complete maintenance and replacement solutions, ready to install:

–Minimum downtime at maintenance or replacement.

# 2 YEARS WORRY-FREE

We are now offering a full 2 years/500,000 km warranty\* on fitted parts, when that part is installed by an authorised Volvo workshop. It covers repair or replacement of parts and even consequential damages.

**See it as a warranty on your business.**
